(CLE CREDIT IS NOT SECURED FOR THIS SEMINAR)

The Energy Bar Association Natural Gas Regulation and State Commission Practice and Regulation Committees will host a panel discussion entitled "Pipeline Construction under Blanket Certificate Authority." The Federal Energy Regulatory Commission has provided interstate pipelines blanket authorization to conduct certain activities and construct certain facilities without prior approval. This event has been developed for those interested in a more comprehensive understanding of the blanket certificate process, its scope and limitations, and best practices for compliance. The panelists will discuss the kinds of activities that may be conducted pursuant to blanket certificate authority, the limitations and requirements regarding such authority, and the issues and challenges in complying with such authority.

### **Moderator:**

Blake Jones – Senior Consultant, Deloitte & Touche, LLP

### **Panelists:**

Michael McGehee – Director, Division of Pipeline Certificates, Federal Energy Regulatory Commission

Glenn Benson – Of Counsel, Perkins Coie

Sam Bennikutty – Senior Manager, Deloitte & Touche, LLP
